CORNERSTONE: PERFECT COLORADO

Cornerstone Colorado, a private golf club and residential community located between Montrose and Telluride, is 6,000 acres of perfect Colorado. Cornerstone's Greg Norman-designed course showcases a number of Norman's design trademarks and is an unmatched playing experience for beginners and expert golfers alike. The 7,945-yard, par-72 course provides stunning views of the San Juan and West Elk mountains in southwestern Colorado and has been deemed "the best mountain golf course in the world" by Norman.

In addition to an outstanding golf course and 20-acre practice facility, Cornerstone offers a Clubhouse with casual dining and Village Mercantile, a resort-style swimming hole, stables, 20-plus miles of trails, a slope-side member lounge in Telluride plus Camp Cornerstone activities and concierge services for the entire family.

Mark Wood, Director of Golf at Cornerstone, said, "The Cornerstone team has worked diligently to create a community that exudes Pioneer Hospitality — a place where people can feel both relaxed and invigorated and where the level of service and commitment is unrivaled."
